About A N R Global Pvt. Ltd.

A N R Global Pvt. Ltd. is an India-based export company headquartered in **Vadodara, Gujarat**. We specialize in supplying quality-assured, competitively priced, and compliance-ready products to international markets. Operating as a **single-window export solution**, we support overseas importers from product selection and compliance through to shipment coordination and final delivery.

With strong expertise in sourcing, quality control, and export documentation, ANR Global serves importers, distributors, wholesalers, project buyers, and agents who value reliability, transparency, and long-term sourcing partnerships. We actively export to **African countries, Middle Eastern markets**, and other emerging international destinations.

OUR VISION

To become a globally trusted export company by delivering consistent quality, dependable supply, and responsible sourcing across international markets.

OUR MISSION

To build long-term partnerships through export-ready products, clear communication, compliance-driven processes, and ethical business practices.

Our Core Business Divisions

Three Pillars of Export Excellence

01

Engineering & Industrial Goods Export

Authorized dealer of Stanley professional tools
 Industrial hoses, PTFE assemblies & AODD pumps
 Safety & PPE equipment | Packaging solutions
 Bulk supply to construction, automotive & industrial sectors worldwide

02

Agricultural Products Export

Fresh vegetables: Onion, Chilli, Ginger, Banana, Pomegranate, Coconut
 Whole spices: Cumin, Coriander, Pepper, Cardamom, Cinnamon, Cloves & more
 Ground spices: Turmeric, Red Chilli, Cumin & Coriander powder
 Phytosanitary compliant | Cold-chain logistics | Year-round supply

03

Manufacturing & Export of Bio Coal Briquettes & Pellets

Manufactured from 100% natural agro-waste – zero chemical binders
 High calorific value: 3,400–4,300 Kcal/kg | Low ash & moisture
 Ideal for industrial boilers, furnaces, kilns & co-firing systems
 Eco-friendly, carbon-neutral alternative to coal & lignite

04

Import & Export Consultancy Services

Import/Export strategy, compliance & operational support across all industries
 Documentation & regulatory compliance: IEC, EPCG, BIS, COO, shipping bills
 Freight forwarding & logistics: air, sea & land | customs clearance & tracking
 Export incentives advisory: Duty Drawback, RoDTEP, RoSCTL, EPCG Scheme

Why Global Buyers Choose ANR Global

<p>Multi-Category Expertise Engineering, agriculture, and biofuel — diverse product portfolio through a single reliable partner.</p>	<p>Strong Sourcing Network Vetted supplier and manufacturing alliances delivering consistent quality and scalable volumes.</p>
<p>International Quality Standards Products comply with international standards, backed by inspections and export-ready documentation.</p>	<p>Efficient Global Logistics Optimized supply chain with established freight forwarders ensuring timely, secure deliveries.</p>
<p>Transparent Business Practices Clear pricing, no hidden conditions, and professional communication from inquiry to delivery.</p>	<p>Commitment to Sustainability Responsible sourcing, eco-friendly bio-energy solutions, and continuous improvement in all operations.</p>

Product Portfolio

Export-Ready Products Across Three Categories

01 ENGINEERING & INDUSTRIAL GOODS

Hand & Power Tools (Stanley)	Industrial Hoses & Pumps	Safety & PPE Equipment
Export-quality tools from authorized brands including Stanley; suitable for bulk supply to construction, automotive & industrial buyers.	Industrial-grade hoses, PTFE assemblies & AODD pumps for high-pressure and chemical applications with export-ready packing.	PPE kits, safety gear & international-standard packaging materials supplied in bulk for export.

02 AGRICULTURAL PRODUCTS

Product	Key Highlights
Fresh Red Onions	Nasik Red / Bangalore Rose; 25–75mm; 30–60 day shelf life; MOQ 20 MT
G4 Green Chilli	Hybrid variety; 8–12 cm; thick skin; cold chain 8–10°C; MOQ 1×40ft
Fresh Ginger	Zingiber officinale; strong aroma; bold size; MOQ 1×40ft container
